### Overview

The Tilman DT610DO Dump Trailer (6' x 10') is an ideal machine for anyone needing to transport material that is on skids. With sides removed, loading is safe and easy. When clean up at the job site is needed, install sides, load debris and its off to the disposal area for dumping.

### Details

① Removable sides ② Wheels under the deck for greater ground clearance. ③ Two-way tailgate (drop down or spreader) ④ Hand control box (20' cord for dumping convenience)
