Overview

The Tilman DT6812LP Dump Trailer (81.5" x 12") is the machine to answer to your heavy hauling and wide load needs. With twin telescopic two-stage hydraulic cylinders, this trailer will easily dump the maximum legal load and remain very stable through the entire dump cycle. With combo gate and optional pull out ramps, this versatile trailer will handle nearly all of your payload disposition requirements.

Details

- 1 Twin telescopic two-stage cylinders
- 2 Pull out ramps
- 3 Lockable toolbox for small tool and battery protection
- 4 Hand control box (20' cord for dumping convenience)
